

Enhancing Reliable and Quick Delivery in South India: Establishment of a Site by the Indian Subsidiary

**~Responding to Various Customer Needs, Including Delivery Time,
and Inventory Management Requests~**

MISUMI Group Inc. (Headquarters: Chiyoda-ku, Tokyo, Japan; Representative Director and President: Ryusei Ono) has established a new site in Bangalore, South India. This site will serve as an integrated sales and distribution center, commencing operations on Monday, May 15, 2023.

With the capacity to stock up to 50,000 items, this site aims to capture customers' interest in the southern region, particularly within the automotive, electronics, and EMS industries. Its presence will play a crucial role in significantly reducing procurement lead times.

Indian subsidiary

By establishing this new facility, we will be able to offer same-day delivery services in the shortest possible time. Furthermore, consolidating our sales and customer support functions in the same location will allow us to provide even more comprehensive responses to customer inquiries than ever before.

MISUMI will continue to strengthen its MISUMI QCT MODEL of high Quality, low Cost, and reliable quick delivery Time to help eliminate inefficiencies in the procurement of indirect production materials at manufacturing sites.
