Each dancer's life story is expressed through movement, creating a performance that will be deeply etched in the hearts of all who witness it.

## About Momoyo

Born in Toyama, Momoyo left her career as a banker to pursue dance, studying in New York before becoming a professional dancer and choreographer in Tokyo.

She has performed with TRF, Mariya Nishiuchi, and Mrs. GREEN APPLE.

After the sold-out successes of *GIFT* (2023) and *GIFT II* (2024), and most recently *GIFT III* in Tokyo (Aug 2025), the show now comes home to Toyama.

“Dance saved me and changed my life. Through *GIFT*, I want to share that joy and remind everyone: your very existence is a gift to the world.” – Momoyo

## Toyama, the World, and Dance

With Toyama recently chosen by *The New York Times* as one of the “52 Places to Go in 2025,” this performance will be a cultural highlight for both locals and international visitors.

In 2026, *GIFT* is also scheduled to perform at a reconstruction event in Suzu City, Ishikawa Prefecture.

From Toyama, we now dream of *GIFT* spreading its wings to the world — crossing borders and touching hearts everywhere with its message of love and hope.
