

Bring the Onsen Home.

Japan's ancient hot-spring ritual — now in a bottle. For centuries, Japan's natural hot springs have restored body and mind. LeFuro captures that mineral-rich water in a concentrated craft blend — so you can turn any bath into an authentic Japanese onsen, right here in New York.

LeFuro
HITO BLENDED

Add about 30ml in the bath, mix well and take a bath for 10-15min. Please adjust the amount based on your preference. Please use the scale on the right as a guideline for the amount of usage for one time.

MADE IN JAPAN

Craft Onsen 300ml 10.14 fl.oz.
