All Artists Announced for “Weekday” Outdoor Music Festival

BOB ROCK FESTIVAL 2025 — Featuring PUFFY, YOGEE NEW WAVES, Rikon Densetsu, Shota Aratani, and rising 18-year-old singer-songwriter AKASAKI!

BOB ROCK FESTIVAL 2025, a unique weekday outdoor music festival, will take place in Osaka on Monday, June 2, 2025.

Now in its fifth year, this Monday-only festival has gained growing attention as a rare industry event tailored for music fans in beauty, fashion, and food service industries—those who typically work weekends and rarely get to enjoy festivals.

In addition to previously announced acts such as PUFFY, YOGEE NEW WAVES, Rikon Densetsu, and Shota Aratani, we’re excited to welcome AKASAKI, an 18-year-old breakout artist whose single “Bunny Girl” has racked up over 100 million streams and 50 million music video views in just five months.

Popular radio DJ Saeka Bando will also join as MC.

The venue is Hattori Ryokuchi Outdoor Concert Hall, a lush, tree-lined space with easy access from Umeda.

We invite you to join us for a luxurious start to the week—surrounded by greenery, music, and drinks in the early afternoon sun.

Discounted early bird tickets are on sale now through May 9.
