This afternoon tea brings comfort to quiet winter afternoons. You can enjoy sweets with winter tastes, like yuzu and sweet bean paste rice cake, and also savory items such as mini cheese hamburger and cake salé.

Shiba Park Hotel is a library hotel with about 1,500 books directed by Ginza Tsutaya Books. Guests can select books from the library and enjoy them to the restaurant “The Dining” to enjoy afternoon tea while reading.

Until early January, a colorful “Book Tree” made of 665 books will be on display in the Library Lounge. This is also a charity project: after the exhibition, the books will be donated through the “Book Baton Project” by Room to Read Japan, helping children in low-income areas around the world. Shiba Park Hotel has joined this project since 2022, and this is the fourth year. The project started from our wish to help society through books.

A combination Chinese, Western, and Japanese flavors.

A dish perfect for winter.
