Shiba Park Hotel (Operated by Shiba Park Hotel Co., Ltd., Minato-ku, Tokyo; President: Rentaro Yanase) is offering its “Blissful Afternoon Tea” from March 9 (Mon.) to May 31 (Sun.), 2026. Set within the calm atmosphere unique to a library hotel, guests are invited to enjoy a delightful afternoon with an elegant menu inspired by the arrival of spring.

The standout feature of this afternoon tea is the opportunity to enjoy, in a single set, a variety of flavors from three of the hotel’s dining brands. Menus crafted by the chefs of Chinese cuisine Peking, Western cuisine Primula, and Japanese cuisine Hanasanshou come together to create a well-balanced and distinctive afternoon tea experience, made possible by Shiba Park Hotel’s all-day dining, The Dining. Among the highlights is a fresh mooncake by Chinese cuisine Peking—an uncommon pairing of loquat and lotus seeds that comes into season from spring to early summer and defines this

season's menu.

The selection also incorporates seasonal ingredients that evoke the arrival of spring, including: Matcha custard cookies that call to mind the new-tea season
Dekopon citrus jelly capturing the refreshing brightness of spring citrus
Sakura-themed kingyokukan (traditional clear agar jelly)

A refined pairing of strawberry mousse and Earl Grey gelée offers an elegant expression of spring's fragrance and flavor.

A combination Chinese, Western, and Japanese flavors.

Choose a book from the shelves and enjoy a relaxing moment.
