Crypton's Newest Puzzle Game "Hatsune Miku Jigsaw Puzzle" Available on Nintendo Switch from March 24th, 2022!

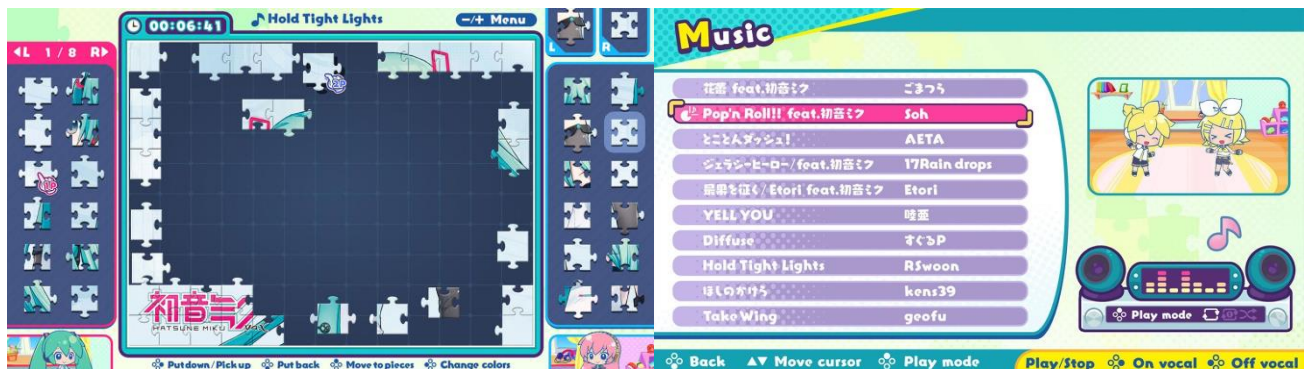

Crypton Future Media, INC. (Head Office: Sapporo, Hokkaido, Japan; CEO: Hiroyuki Itoh) has released its original video game "Hatsune Miku Jigsaw Puzzle" for Nintendo Switch on Thursday, March 24th, 2022. The puzzle game is a download-only software and will be available for purchase on the Nintendo eShop. In celebration of the release, a limited time launch sale will make the game available for 20% off until March 31st.

"Hatsune Miku Jigsaw Puzzle" is a jigsaw puzzle game using illustrations of Hatsune Miku and the Piapro Characters. 39 illustrations are in the game, including the main visual by popular artist Kurisu Toshi. Players can enjoy the digital jigsaw puzzles to the BGM from Piapro Official Collaborations.

The puzzles come in 3 difficulty levels: "Easy (63 pieces)," "Normal (130 pieces)," and "Hard (300 pieces)." Handy functions such as simple piece selection and mid-game pausing allows for easy playing at any time. The game also has local multiplayer so that players can attempt to solve difficult puzzles with friends or family.

The included songs can be listened to in the Music Page, so please enjoy "Hatsune Miku Jigsaw Puzzle" by yourself or with a friend with your favorite song!

Our Business

We have more than 100 partners around the world, including the U.S. and Europe, and have licensed and sold more than 30 million pieces of sound software to the Japanese market. We started out as a "sound trading company" importing and selling audio materials such as sound effects, etc. Today, we are building and developing a wide range of services and technologies such as DTM software, sound delivery stores, music aggregators, 3D CGI systems, and smartphone game development, under a horizontal company structure. We are also known as the developer of the singing voice synthesis software "Hatsune Miku".
