

## WIND AND SEA releases the first collaboration collection with the world-class swimwear brand “arena” .

The streetwear brand “WIND AND SEA” has launched its first collaborative collection with “arena” , which is the one of the famous swimwear brands in the world. “arena” has always created innovative technologies since it was founded in France in 1973 and has established a solid position in the sportswear industry.

In this collection, we will introduce a number of original graphic items combining color links that imaged Los Angeles’ s condominium pool and logos of “WIND AND SEA” and “arena” . In addition, at this time, all of the look shootings were taken in Los Angeles, where the condominium pool and the pool in a drained ball field for skating. Don’ t miss that beautiful visual.

It will be released on Saturday, July 18th, from 12:00 PM on WIND AND SEA official online shop, arena, and DESCENTE STORE, the official online store for Dessant.
