■1-on-1 online lessons with professional teachers
"KURASHI STUDY" is a story-based Japanese language learning App based on the theme of daily life in Japan. It has been downloaded more than 100,000 times (as of April 2022) and is used by many learners of Japanese.

In "KURASHI STUDY", we offer online private lessons by professional Japanese language teachers in addition to self-study content. "KURASHI STUDY" provides online private lessons by professional Japanese language teachers in addition to self-study content. The teachers, who have backgrounds as Japanese language instructors at universities and Japanese language schools, provide professional learning advice without you needing to go to school. It is also available for casual use, such as conversation practice or practice for a part-time job interview. Because it is online, you can take lessons anywhere and anytime, and you can easily practice your "speaking skills" in the 20 minute lessons.

■ Special subscription discount offers running concurrently
With the easing of border restrictions due to COVID in Japan from March 2022, it is expected that many foreigners will be coming to Japan in the near future. So in celebration of that and the first anniversary of the launch of the "KURASHI STUDY", we held a special offer to discount subscription fees starting in April. We hope that

international students, technical intern trainees, and specified technical trainees who are looking forward to coming to Japan will enjoy learning Japanese and Japanese life by using "KURASHI STUDY". Especially great as a study tool for arrival preparation and living in Japan.

■ Japanese language app "KURASHI STUDY"

https://kurashi-study.net

"KURASHI STUDY" is a story-based Japanese learning app that teaches Japanese grammar, expressions, vocabulary, and pronunciation through conversation. With a total of 96 scenes based on Japanese life, you can also learn the rules of life and administrative rules necessary for living in Japan. All conversations are audio-recorded, so you can improve your Japanese "reading, listening, and speaking" skills just by using the app, without going to school. The app also has an "Online Japanese Conversation (Talk)*" service that allows you to take private lessons with a professional Japanese language teacher. You can freely ask for help with things you don't understand in your independent study, or with any problems you may have in your life in Japan. It also conforms to the scope and format of the Japanese Language Proficiency Test (JLPT), and is recommended for those aiming to acquire N5 to N2 levels.

* Online Japanese Conversation (Talk)service is a paid option.
