

Press Release

Oct 1, 2013

To Medias,

Notice of IR Website Renewal

SoftBank Technology Corp. (President & CEO : Shinichi Ata, Head Office : Shinjuku-ku, Tokyo, hereafter SBT) hereby announces the information regarding to the IR website renewal for providing the corporate information to the shareholders and investors.

Upon this renewal, from the viewpoint of shareholders and investors, we renewed design and expanded contents to have them understand our business strategy, overview and the future outlook. With the site renewal, now its possible to see our business activity and the overview that we didn't provide enough before. Also, we established the English website to introduce our business activity and promote communications globally with foreign investors.

IR site after renewal

The screenshot displays the renewed IR website interface. It features a top navigation bar with links for Home, Corporate Information, News, Investor Relations, Business Overview, CSR, and Investor Information. The main content area includes a 'What's New' section with recent news items, a 'Business Overview' section with a pie chart and bar graphs, and a 'Financial Data' section with a table of key metrics.
