

# DRECOM to Host Company Panel at Anime Expo 2026, One of the World’s Largest Anime Events Held in Los Angeles

Voice actors Makoto Furukawa and Daiki Yamashita from the anime *Blade & Bastard* have also been confirmed as panel guests.

ANIME EXPO® 2026

Drecom Co., Ltd. (Head Office: Shinagawa-ku, Tokyo; President & CEO: Yuki Naito) is pleased to announce that it will be holding company panel at Anime Expo 2026, one of the world’s largest anime events, taking place in Los Angeles, USA from July 2 to 5 (local time).

At the company’s panel, “Drecom Industry Panel,” Makoto Furukawa, who voices Iarumas in *Blade & Bastard*, Daiki Yamashita, who voices Raraja, and the title’s producers are scheduled to appear.

The panel will also feature the latest updates on "The Holy Grail of Eris", which has already aired as a TV anime, "The 100th Time's the Charm: She Was Executed 99 Times, So How Did She Unlock “Super Love” Mode?!", which is currently in anime production, and other popular original works.

## Drecom Industry Panel

Date and Time: July 4, 1:00 PM (PT)

Venue: Room 511ABC

Guests: Makoto Furukawa (V.A of Iarumas from *BLADE & BASTARD*)

Daiki Yamashita (V.A of Raraja from *BLADE & BASTARD*)

Producers from Drecom Co., Ltd

## **About Anime Expo**

Anime Expo (AX) started in 1991 as “Anime Con” by the members of UC Berkeley’s anime club, Cal Animage Alpha. While AX has grown drastically over the years, the core goal has remained the same: to welcome attendees for a fun and memorable experience. Each year, Anime Expo brings together fans and industry from Japan, the US, and all over the world for the largest celebration of Japanese pop culture in North America. Anime Expo features the best in Japanese entertainment, music, fashion, and video games. Anime Expo is organized by SPJA, a 501c3 non-profit organization with a mission to inspire the world through Japanese animation and culture.

## **About Drecom Co., LTD**

Drecom Co., Ltd. is a global entertainment company dedicated to delivering content centered on IP × technology under its mission, “with entertainment – exceeding people’s expectations.”

With more than a decade of experience in IP content businesses, including games, Drecom is also engaged in creating and nurturing IP through publishing, anime, merchandising (MD), and other related businesses. Leveraging its expertise in the development and operation of large-scale mobile games, Drecom also operates B2B businesses and expands the possibilities of entertainment through the use of technologies such as Web3 and generative AI, delivering new value that captivates users.
