Since establishing its Hong Kong subsidiary in 1997, our company has been supporting Japanese companies in their overseas expansion by providing market research, logistics solutions, and selling products to local customers across 12 locations in 11 countries, primarily in Southeast Asia. Last year, we formulated our mid-term vision for overseas operations, "GALILEI Global Vision 2030," to accelerate the development of growth strategies and investments.

Following Bangkok, Thailand, and Ho Chi Minh City, Vietnam, we have opened our third overseas showroom.

In 2017, we established PT. FUKUSHIMA GALILEI INDONESIA In Indonesia, where the tropical climate is hot and humid all year round, ensuring food safety is a crucial issue.
