Donation of Commercial Refrigerator to Shelter in Support of Victims of High-Rise Residential Fire in Hong Kong

FUKUSHIMA GALILEI CO. LTD. (Headquarters: Nishiyodogawa-ku, Osaka, President & CEO: Go Fukushima) has donated one commercial refrigerator to “善導會 SideBySide,” which operates a shelter in the affected area, as part of our support for the victims of the high-rise residential fire that occurred on November 26, 2025, in Tai Po District, Hong Kong.

We extend our heartfelt sympathies to all those affected by this tragic fire. With many residents forced to live in evacuation shelters, food storage and hygiene management have become critical challenges. Through our local subsidiary, FUKUSHIMA GALILEI (H.K.) CO., LTD. we decided to donate the refrigerator in hopes of contributing to improving the living environment for the victims.

FUKUSHIMA GALILEI will continue to contribute to solving social issues and supporting local communities through our business activities.
