Dear Members of the Press,

FUKUSHIMA GALILEI CO. LTD.

Galilei Group to Exhibit at Food & Hotel Asia 2026 in Singapore

FUKUSHIMA GALILEI CO. LTD. (Headquarters: Nishi-Yodogawa, Osaka; President: Go Fukushima) is pleased to announce that it will exhibit at Food & Hotel Asia 2026(FHA), which will be held in Singapore for four days from Tuesday, April 21 to Friday, April 24.

FHA-HORECA is one of Asia's largest trade shows, bringing together distributors, retailers, and producers from the region's fastest-growing food and hospitality industries.

At our booth, we will showcase commercial refrigeration equipment featuring the latest energy-saving technology designed to meet the needs of the ASEAN market. In addition, we will present total kitchen solutions through our strengthened overseas alliances, centered around Shinpo, a company renowned for its smokeless roasters.

Main Products on Display

■ Inverter-Controlled, HFC-Free Refrigerator (Made in Thailand)

In Singapore, the National Environment Agency (NEA) is introducing strict energy efficiency regulations for commercial refrigerators starting in April 2025. We will be exhibiting our horizontal, inverter-controlled, HFC-free commercial refrigerator, which has achieved the highest "5-tick (Excellent)" rating under these new standards. We propose a next-generation standard that balances environmental responsibility with reduced electricity costs.

■ Equipment for Yakiniku (Japanese BBQ) Style Restaurants

The culture of yakiniku, where customers cook their own food, has been expanding rapidly across Southeast Asia. Reflecting this trend, our booth will feature a variety of equipment for a model yakiniku restaurant.

- Thawing Cabinet with "Step-Operation Function": Thaws ingredients while preserving their quality.
- Smokeless Roasters by Shinpo Co., Ltd.:(Business alliance formed in January 2026).
- Noodle Boiler and Noodle Washer/Chiller by Nippon Senjoki K.K. (a Galilei Group company): Enables the authentic preparation and serving of noodle dishes.
