Unlocking the Future of AI: Empowering the Next Generation

Collaborate with Us: March 2024 Mission Callout

SINGAPORE & VIETNAM – Leading the charge in AI-driven business solutions, Global Partners Consulting Pte. Ltd (Head office: Singapore, Managing Director: Zenta Nishida, hereinafter "GPC"), a consulting firm providing overseas expansion advisory service mainly to Asia Pacific countries is excited to introduce its groundbreaking "AI Consulting" Internship Program in collaboration with its group company, Functional AI Partners, set to commence on December 1st, 2023. This strategic initiative brings together 9 of the brightest university and graduate scholars from Singapore and Vietnam.

■ Harness AI's Power with GPC: Open for Collaborative Missions

In an era where AI's prowess is redefining business landscapes and causing ripples across the job market, GPC is poised to leverage these transformative technologies, ensuring companies and entrepreneurs stay ahead of the curve.

■ AI in the Limelight: A Global Perspective

Recent data from renowned international media outlets underscore the AI revolution:

CNBS: A projected 25% of job roles will be AI-influenced within five years.

New York Times: A significant 80% of American job tasks are now AI-compatible.

Forbes: A whopping 500 million white-collar positions will undergo an AI transformation in the next half-decade.

■ Program Insights: Cultivating AI-Ready Talent with Real-World Impact

Zenta Nishida, Managing Director of GPC, remarks, "Our mission is twofold: to usher businesses into the AI age and to foster a culture of curiosity and innovation among our interns. Their fresh perspectives, combined with GPC's expertise, will pioneer AI solutions tailored to contemporary business challenges."

Structured with a dynamic approach, the AI Consulting Project spans five months, wherein each month is dedicated to a unique mission. With a team-based methodology (2 teams in Singapore and 1 in Vietnam), each month culminates in a riveting presentation showdown, streamed live on GPC's LinkedIn and Facebook platforms.

Here are a few examples of Missions our team will solve:

Mission 1: [Dec'23] EASY TO FORGET THESE DAYS

To address “busy business owners” concerns to handle quadruple communication channel chaos to assist Human Inefficiency in private & work life.

Mission 2: [Jan'24] Fully-AI run “Market Research”

Can current technology do better “Market Research” to enter the new market than old-fashion research method? Let’s try and find out.
