PRESS RELEASE

Art of Peace Inc. (<https://www.artofpeace.tokyo>) is pleased to announce the launch of a one-of-a-kind art cap by W@nder Fabric® founder TOSHİ, themed around "Art in Everyday Life." In addition, we are now accepting orders for custom-made caps.

Series name: "EVOSHI" (The photos are for reference; vintage kimono fabric is reused). Custom orders are available for fabric selection, height, and size variations. From left: EVOSHI #001 (height approx. 53cm), #002 (height approx. 35cm), #003 (height approx. 23cm). All have a head circumference of approximately 56–62cm. Sizes can be adjusted and modified up to XXL.

Art Cap (NEW Series) Custom-made in Japan

This cap is a fusion of upcycling and contemporary sensibility, crafted by deconstructing vintage wear and old kimonos to give them new life as unique materials. A special piece that effortlessly incorporates art into everyday life, it transforms vintage fabrics and kimono textiles into a new form, adding individuality and storytelling to your style.

About Custom-Made Orders

We create custom-made caps tailored to your desired height and head circumference, offering a variety of materials, embroidery, silk printing, and color customization options.

We conduct a thorough consultation to finalize the design and specifications, propose the best plan based on your budget, and proceed with domestic production after confirming the sample. Each item undergoes strict quality control before being delivered to you. (Production quantity may vary depending on material characteristics.)
