

**Popular Puzzle Game “Hatsune Miku Logic Paint S”
Coming To Microsoft ® Store!**

Crypton Future Media, INC. (Head Office: Sapporo, Hokkaido, Japan; CEO: Hiroyuki Itoh) has released its original video game “Hatsune Miku Logic Paint S” for XBox and PC on Thursday, January 20th, 2022. Both XBox and PC versions are available for purchase as downloadable software on the Microsoft ® Store. In celebration of the release, a limited time launch sale will make the game available for 20% off.

"Hatsune Miku Logic Paint S" is a puzzle game in which players fill in squares using the numbers on the top and left of the grid as hints to complete the puzzle. The game was previously released on the Nintendo Switch in March of 2021, and has been ported to the Xbox and PC to reach more fans. Players can complete puzzles to collect various artworks of Miku and other Piapro Characters, and clear missions to unlock songs and other features just as they could in the Nintendo Switch version. Collect more artworks by solving puzzles in Miku and her friends' room while enjoying songs and the cute characters!

Our Business

We have more than 100 partners around the world, including the U.S. and Europe, and have licensed and sold more than 30 million pieces of sound software to the Japanese market. We started out as a "sound trading company" importing and selling audio materials such as sound effects, etc. Today, we are building and developing a wide range of services and technologies such as DTM software, sound delivery stores, music aggregators, 3D CGI systems, and smartphone game development, under a horizontal company structure. We are also known as the developer of the singing voice synthesis software "Hatsune Miku".
