Crypton Future Media, INC. (Head Office: Sapporo, Hokkaido, Japan; CEO: Hiroyuki Itoh) is pleased to announce "HATSUNE MIKU EXPO Rewind+", which will be held on November 6th (Sun.), 2022. It is the second time that highlights of Hatsune Miku's world tour series will be streamed for free following June this year. For a new augmented edition "Rewind+", we will hold a song request survey as well as illustration/song remix contest so you have a chance for your work to be used for the end credits and the official guidebook.

■ Experience virtual singer Hatsune Miku's world tour with "Rewind+"!

"HATSUNE MIKU EXPO" is the world tour series of virtual singer "Hatsune Miku" by Crypton. A total of 68 concerts have been held in 30 cities around the world and more than 190,000 people have attended the concerts so far. In the past two years, when the novel coronavirus (COVID-19) spread worldwide, we have been delivering "Hatsune Miku" concerts in the form of online streaming.

At the "HATSUNE MIKU EXPO Rewind" held in June this year, as the event title "Rewind" suggests, we streamed a special compilation of the world tour series that began in Indonesia in 2014, free of charge. For a new augmented edition "Rewind+" in November, in addition to the performance footage on stage, we will also be adding special event-related local footage so you can see more of the world tour.

We will also make a new setlist with the footage recorded in the past for "Rewind+". The song request survey is available now from the link below, please submit your requests before September 5th (Mon.) 11:00am.
